# WANTED!

Everyone all paired up  
and nowhere left for you to go?

Still *looking* for a roommate?

Join us for the

## PAIR FAIR

Wednesday, March 23rd @ 8:00 p.m.

(Student Union Lounge)

So com' on out and GIT-R-Done....  
Finding a roommate can be so much fun!

Sponsored by the RLS Committee

### Helpful Hints for Selecting Roommates

- Remember that best friends do not necessarily make the best roommates.
- Do not pick a roommate based on lottery numbers for placement in a particular hall.
- Talk with potential roommate(s) about expectations concerning cleanliness, atmosphere in room, sleep patterns, and social/study habits.
- Overall, remember that roommate relationships require commitment, communication, and caring for it to be successful!
